Special Acknowledgement to the many artists that have dedicated themselves to the development and presentation of this program, especially the dancers of Terra Firma Dance Theatre; your tenacity, patience, intelligence and sheer physical gifts know no boundaries. Everyday, in working with you, is an inspiration. I thank you for assisting me in growing as an artist and breathing life into our vision - SL.

In our continued efforts to be environmentally aware, cost-conscious and reduce waste, there will be no individual programs provided for this performance.
